WASHINGTON STATE MARITIME COOPERATIVE (WSMC)
OIL SPILL RESPONSE CONTINGENCY PLAN
24 hours: (206) 448-7557 / FAX: (206) 443-3839

PLACARD FOR OIL SPILL NOTIFICATION and EMERGENCY RESPONSE TOWING VESSEL (ERTV) CONTRACTING IN WASHINGTON STATE WATERS

(except the Columbia River System in which case notify M.F.S.A. (503) 220-2055)

In the event of a spill or potential spill in the offshore waters of Washington, the Straits of Juan de Fuca, Puget Sound or Grays Harbor:

1 - FIRST - NOTIFY WSMC IMMEDIATELY AND DIRECTLY, DO NOT DELAY OR RELAY THIS CALL

Telephone: (206) 448-7557 or Radio: Channel 20 VHF-FM (International)

WSMC WILL NOTIFY: WASHINGTON STATE (WEMD / WDOE) at 1-800-258-5990 / (253) 912-4904

(unless the vessel's owner/operator says they will do this)

2 - SECOND - NOTIFY THE VESSEL'S QUALIFIED INDIVIDUAL (QI), DO NOT DELAY OR RELAY THIS CALL

The QI and their contact information is named in the Federal Vessel Response Plan for the vessel.

THE QI OR VESSEL OWNER/OPERATOR WILL NOTIFY:

U.S. COAST GUARD NATIONAL RESPONSE CENTER (NRC) at 1-800-424-8802 / (202) 267-2675

FOR INITIAL ACTIONS DURING A SPILL OR POTENTIAL SPILL, REFER TO THE WSMC FIELD DOCUMENT

An Emergency Response Towing Vessel (ERTV) is stationed at Neah Bay *available to be hired by vessels experiencing a vessel emergency while in the Strait of Juan de Fuca and off the western coast of Washington State from Cape Flattery Light south to Cape Disappointment Light . Call (206) 281 3810 or 1-800-562-2856 to contract this ERTV.*
